To The Board of the
“Kinderhilfswerk Himalaja”

13.02.2026, Yerevan, Armenia

Dear Board Members of the “Kinderhilfswerk Himalaja”,

On behalf of our paediatric patients and their families - the beneficiaries of DAA programs and the entire team of Direct Aid Association (DAA), I would like to express our deepest gratitude for your unwavering generosity and continuous support.

Your commitment to our mission serves as an essential support for two of our most important institutions: The Hospital School and the Patients’ Family House. These institutions provide essential services to the children undergoing treatment at the Arabkir MC&ICAH and the Pediatric Department of the Hematology Hospital. For some of our beneficiaries the difficulty of a child’s illness is often compounded by the financial hardship. In recent years, our mission has expanded to meet an even more urgent need: supporting families forcibly displaced from Artsakh (Nagorno-Karabakh).

The financial support we receive is more than just a donation; it is a source of tangible relief. It allows our staff to walk alongside the families, helping them overcome the immense obstacles they face and providing care and relief during their most difficult moments.

Specifically, the donation of 42’000 USD / 32’700 CHF received on DAA account on 9 February 2026 ensures the continuity of our services in 2026 within:

- The **Hospital School** can continue providing educational continuity and a sense of normalcy to children during their recovery.
- The **Patients’ Family House** can remain a "home away from home," offering essential accommodation and support services to families in need.

Please accept our most cordial appreciation for your kindness. You are an appreciated supporter of the DAA family, and your support makes it possible for us to serve those in extreme need with dignity and compassion.

With heartfelt thanks,
Hasmik Tadevosyan
Direct Aid Association President
